

3 Reflection Questions

In Pairs within your group, you may share:

- *Am I risk-adverse, conflict-avoiding? What does it mean to fight a good fight?*
- *Am I short of patience? How do I fare when something I do requires time?*
- *How much do I see the “culture of convenience” around me? Within me?*

Alternatively, you may share 1-2 things you have learned today. Share specifically how you would like to practically apply what you have learned.

Spend sufficient time praying for each other.
